An aerial photograph showing the proposed runway extension at TWR 191. The existing runway is labeled "8V". The proposed extension is shown as a dashed line, with dimensions "1000 X 150" and "770 X 150" indicated. A star symbol marks the centerline intersection, labeled "TWR 191". An arrow points to the end of the extension, indicating a bearing of "257° to RW26". Various other markings and symbols are visible along the extension path.
